

MANAGEMENT SYSTEM CERTIFICATE

Certificate no.:
10000396401-MSC-ACCREDIA-ITA

Initial certification date:
08 April 2021

Valid:
08 April 2024 – 07 April 2027

This is to certify that the management system of
INTERPUMP PIPING GS S.r.l.
Via Giambattista Vico, 2 - 42124 Reggio Emilia (RE) - Italy
and the sites as mentioned in the appendix accompanying this certificate

has been found to conform to the Quality Management System standard:
ISO 9001:2015

This certificate is valid for the following scope:

**Purchasing, production, design, prefabricating, manufacturing, sales, installation, flushing, pressure testing and commissioning of complete piping systems and separate components, piping modules, flanges, valves, supporting brackets & clamps, reducers and hose assemblies, carried out through the application of all or part of the following procedures: engineering, cutting, bending, pipe end grooving, flaring, walforming, hose crimping, cleaning, preservation, packaging, installing, pressure testing, flushing, commissioning and on-site services.
(IAF 17, 14, 29)**

Place and date:
Vimercate (MB), 04 April 2024

SGQ N° 003 A
SGA N° 003 D
SGE N° 007 M
SCR N° 004 F

EMAS N° 009 P
PRD N° 003 B
PRS N° 094 C
SSI N° 002 G

Membro di MLA EA per gli schemi di accreditamento
SGQ, SGA, PRD, PRS, ISP, GIIG, LAB e LAT, di MLA IAF
per gli schemi di accreditamento SGQ, SGA, SSI, FSM
e PRD e di MRA ILAC per gli schemi di accreditamento
LAB, MED, LAT e ISP

For the issuing office:
DNV - Business Assurance
Via Energy Park, 14, - 20871 Vimercate (MB) -
Italy

Claudia Baroncini
Management Representative

Certificate no.: 10000396401-MSC-ACCREDIA-ITA
 Place and date: Vimercate (MB), 04 April 2024

Appendix to Certificate

INTERPUMP PIPING GS S.r.l.

Locations included in the certification are as follows:

Site Name	Site Address	Site Scope
INTERPUMP PIPING GS S.r.l.	Via Giambattista Vico, 2 - 42124 Reggio Emilia (RE) - Italy	Legal Site
GS Hydro do Brasil Sistemas Hidráulicos Ltda	Rua Visconde de Inhaúma 58, Sala 201 - Centro - CEP: 20091-007, Rio de Janeiro, RJ, Brazil	Purchasing, production, design, prefabricating, manufacturing, sales, installation, flushing, pressure testing and commissioning of complete piping systems and separate components, piping modules, flanges, valves, supporting brackets & clamps, reducers and hose assemblies, carried out through the application of all or part of the following procedures: engineering, cutting, bending, pipe end grooving, flaring, walforming, hose crimping, cleaning, preservation, packaging, installing, pressure testing, flushing, commissioning and on-site services.
GS-Hydro Ltd.	Unit A, Broadfold Road, Bridge of Don, Aberdeen, AB23 8EE, United Kingdom	Purchasing, production, design, prefabricating, manufacturing, sales, installation, flushing, pressure testing and commissioning of complete piping systems and separate components, piping modules, flanges, valves, supporting brackets & clamps, reducers and hose assemblies, carried out through the application of all or part of the following procedures: engineering, cutting, bending, pipe end grooving, flaring, walforming, hose crimping, cleaning, preservation, packaging, installing, pressure testing, flushing, commissioning and on-site services.
GS-Hydro Austria GmbH	Schärdingerstrasse 7 A, 4061 Pasching, Austria	Purchasing, production, design, prefabricating, manufacturing, sales, installation, flushing, pressure testing and commissioning of complete piping systems and separate components, piping modules, flanges, valves, supporting brackets & clamps, reducers and hose assemblies, carried out through the application of all or part of the following procedures: engineering, cutting, bending, pipe end grooving, flaring, walforming, hose crimping, cleaning, preservation, packaging, installing, pressure testing, flushing, commissioning and on-site services.

Lack of fulfilment of conditions as set out in the Certification Agreement may render this Certificate invalid.

ACCREDITED UNIT: DNV Business Assurance Italy S.r.l., Via Energy Park, 14 - 20871 Vimercate (MB) - Italy - TEL: +39 68 99 905. www.dnv.it

Site Name	Site Address	Site Scope
GS-Hydro Benelux B.V.	Zweth 24, NL-2991 Barendrecht, Netherlands	Purchasing, production, design, prefabricating, manufacturing, sales, installation, flushing, pressure testing and commissioning of complete piping systems and separate components, piping modules, flanges, valves, supporting brackets & clamps, reducers and hose assemblies, carried out through the application of all or part of the following procedures: engineering, cutting, bending, pipe end grooving, flaring, walforming, hose crimping, cleaning, preservation, packaging, installing, pressure testing, flushing, commissioning and on-site services.
GS-Hydro Danmark A/S	Fabriksvej 12, DK-6000 Kolding, Denmark	Purchasing, production, design, prefabricating, manufacturing, sales, installation, flushing, pressure testing and commissioning of complete piping systems and separate components, piping modules, flanges, valves, supporting brackets & clamps, reducers and hose assemblies, carried out through the application of all or part of the following procedures: engineering, cutting, bending, pipe end grooving, flaring, walforming, hose crimping, cleaning, preservation, packaging, installing, pressure testing, flushing, commissioning and on-site services.
GS-Hydro S.A.U.	Polígono El Campillo Pabellón 22, 48500, Abanto y Zierbena, Bizkaia, Spain	Purchasing, production, design, prefabricating, manufacturing, sales, installation, flushing, pressure testing and commissioning of complete piping systems and separate components, piping modules, flanges, valves, supporting brackets & clamps, reducers and hose assemblies, carried out through the application of all or part of the following procedures: engineering, cutting, bending, pipe end grooving, flaring, walforming, hose crimping, cleaning, preservation, packaging, installing, pressure testing, flushing, commissioning and on-site services.
GS-Hydro S.A.U.	C/ Chile 7, Polígono Industrial Bajo de la Cabezuela, 11510, Puerto Real, Cádiz, Spain	Purchasing, production, design, prefabricating, manufacturing, sales, installation, flushing, pressure testing and commissioning of complete piping systems and separate components, piping modules, flanges, valves, supporting brackets & clamps, reducers and hose assemblies, carried out through the application of all or part of the following procedures: engineering, cutting, bending, pipe end grooving, flaring, walforming, hose crimping, cleaning, preservation, packaging, installing, pressure testing, flushing, commissioning and on-site services.

Site Name	Site Address	Site Scope
GS-Hydro S.A.U. (Las Rozas, Spain)	C/ Cabo Rufino Lázaro 5, P. Ind. Európolis, 28230, Las Rozas, Madrid, Spain	Purchasing, production, design, prefabricating, manufacturing, sales, installation, flushing, pressure testing and commissioning of complete piping systems and separate components, piping modules, flanges, valves, supporting brackets & clamps, reducers and hose assemblies, carried out through the application of all or part of the following procedures: engineering, cutting, bending, pipe end grooving, flaring, walforming, hose crimping, cleaning, preservation, packaging, installing, pressure testing, flushing, commissioning and on-site services.
GS-Hydro Singapore Pte. Ltd	22 Joo Koon Circle, Western Region, Singapore 629054, Singapore	Purchasing, production, design, prefabricating, manufacturing, sales, installation, flushing, pressure testing and commissioning of complete piping systems and separate components, piping modules, flanges, valves, supporting brackets & clamps, reducers and hose assemblies, carried out through the application of all or part of the following procedures: engineering, cutting, bending, pipe end grooving, flaring, walforming, hose crimping, cleaning, preservation, packaging, installing, pressure testing, flushing, commissioning and on-site services.
GS-Hydro System GmbH	Ruhrtal 5, D-58463 Witten, Germany	Purchasing, production, design, prefabricating, manufacturing, sales, installation, flushing, pressure testing and commissioning of complete piping systems and separate components, piping modules, flanges, valves, supporting brackets & clamps, reducers and hose assemblies, carried out through the application of all or part of the following procedures: engineering, cutting, bending, pipe end grooving, flaring, walforming, hose crimping, cleaning, preservation, packaging, installing, pressure testing, flushing, commissioning and on-site services.
GS-Hydro U.S. Inc.	3340B Greens Road, Suite 680, Houston, TX 77032, USA	Purchasing, production, design, prefabricating, manufacturing, sales, installation, flushing, pressure testing and commissioning of complete piping systems and separate components, piping modules, flanges, valves, supporting brackets & clamps, reducers and hose assemblies, carried out through the application of all or part of the following procedures: engineering, cutting, bending, pipe end grooving, flaring, walforming, hose crimping, cleaning, preservation, packaging, installing, pressure testing, flushing, commissioning and on-site services.

Site Name	Site Address	Site Scope
GS-Hydro UK Ltd	Unit 5, Daughters Court, Silkwood Park, Ossett, GB-WF5 9TQ, United Kingdom	Purchasing, production, design, prefabricating, manufacturing, sales, installation, flushing, pressure testing and commissioning of complete piping systems and separate components, piping modules, flanges, valves, supporting brackets & clamps, reducers and hose assemblies, carried out through the application of all or part of the following procedures: engineering, cutting, bending, pipe end grooving, flaring, walforming, hose crimping, cleaning, preservation, packaging, installing, pressure testing, flushing, commissioning and on-site services.
GS-Hydro UK Ltd.	Unit A Camberwell Way, Doxford International Business Park, Sunderland, GB-SR3 3XN, United Kingdom	Purchasing, production, design, prefabricating, manufacturing, sales, installation, flushing, pressure testing and commissioning of complete piping systems and separate components, piping modules, flanges, valves, supporting brackets & clamps, reducers and hose assemblies, carried out through the application of all or part of the following procedures: engineering, cutting, bending, pipe end grooving, flaring, walforming, hose crimping, cleaning, preservation, packaging, installing, pressure testing, flushing, commissioning and on-site services.
GS-Hydro Korea Ltd.	51, Mieumsandan 1-ro, Gangseo-Gu, Busan, Republic of Korea	Purchasing, production, design, prefabricating, manufacturing, sales, installation, flushing, pressure testing and commissioning of complete piping systems and separate components, piping modules, flanges, valves, supporting brackets & clamps, reducers and hose assemblies, carried out through the application of all or part of the following procedures: engineering, cutting, bending, pipe end grooving, flaring, walforming, hose crimping, cleaning, preservation, packaging, installing, pressure testing, flushing, commissioning and on-site services.
GS-Hydro Sp. z.o.o. (Gdynia, Poland)	ul. Gołębia 11, PL-81-185 Gdynia, Poland	Purchasing, production, design, prefabricating, manufacturing, sales, installation, flushing, pressure testing and commissioning of complete piping systems and separate components, piping modules, flanges, valves, supporting brackets & clamps, reducers and hose assemblies, carried out through the application of all or part of the following procedures: engineering, cutting, bending, pipe end grooving, flaring, walforming, hose crimping, cleaning, preservation, packaging, installing, pressure testing, flushing, commissioning and on-site services.

Site Name	Site Address	Site Scope
GS-Hydro Piping Systems (Shanghai) Co. Ltd.	Plot A, No. 1 Workshop, No. 679 Shenfu Road, Minhang District, PRC-201108 Shanghai China	Purchasing, production, design, prefabricating, manufacturing, sales, installation, flushing, pressure testing and commissioning of complete piping systems and separate components, piping modules, flanges, valves, supporting brackets & clamps, reducers and hose assemblies, carried out through the application of all or part of the following procedures: engineering, cutting, bending, pipe end grooving, flaring, walforming, hose crimping, cleaning, preservation, packaging, installing, pressure testing, flushing, commissioning and on-site services.
GS-Hydro AB	Johannedalsvägen 67, S-86336, Sundsbruk, Sweden	Purchasing, production, design, prefabricating, manufacturing, sales, installation, flushing, pressure testing and commissioning of complete piping systems and separate components, piping modules, flanges, valves, supporting brackets & clamps, reducers and hose assemblies, carried out through the application of all or part of the following procedures: engineering, cutting, bending, pipe end grooving, flaring, walforming, hose crimping, cleaning, preservation, packaging, installing, pressure testing, flushing, commissioning and on-site services.
Suministros Agroindustriales Franquesa, SLU	Avda Rosa Parks, 61, 25005, Lérida, Spain	Purchasing, production, design, prefabricating, manufacturing, sales, installation, flushing, pressure testing and commissioning of complete piping systems and separate components, piping modules, flanges, valves, supporting brackets & clamps, reducers and hose assemblies, carried out through the application of all or part of the following procedures: engineering, cutting, bending, pipe end grooving, flaring, walforming, hose crimping, cleaning, preservation, packaging, installing, pressure testing, flushing, commissioning and on-site services.
